

VISIT BY THE CHIEF EXECUTIVE OFFICER OF TONIX PHARMACEUTICALS HOLDINGS, THE COMPANY AND THE COUNTRY PROJECT MANAGERS

The Chief Executive Officer and Chairman of Tonix Pharmaceuticals Holdings Dr. Seth Lederman, the Director of project management Dr. Dawn Myscofski and the Kenya projects Manager Mr. Judah Arap Bett visited the Department of Clinical Studies on November 22, 2022. The purpose of the visit was to assess the progress made and the challenges encountered in the Uasin Gishu Disease Virus project, which is led by Prof. James Nguhiu-Mwangi as the Principal Investigator together with research team members: Dr. Tequero Abuom, Dr. Shepelo Getrude and Prof. George chege Gitao. The project is funded by Tonix Pharmaceuticals Holdings and it is at its inception stages.
